**5. Objective of the Program:**

- To study the livelihoods including habitat, economy and the society of the inhabitants at Netarhat
- To examine the socio-economic profile and major problems faced by the villagers in the study area
- To focus the future tourism prospect in the study area
- To examine the degree of influence of tourism on local economy generated

**6. Detail Description of the Event:**

Netarhat is a hilly regions located under the jurisdiction of C.D block of Mahuadanr in Latehar district in the state of Jharkhand. It is situated at an elevation of 1,071 meters (3,514 ft) in the western part of the state. The socio-economic survey has been conducted at two different localities of Netarhat village namely Paseripat (23°29'25.2"N, 84°15'16.8"E) and Mohanapat (23°28'46.7"N, 84°15'17.5"E).

The overall perception of some civic amenities and problems has been detected in the survey village. The following are the major problems identified as follows: The transport network is very poor. Accessibility in terms of transport vehicle is also very low and less, Roads are very narrow, as majority of inhabitants are involved in primary activities, there are lacks of the primary health center. The medicinal supply is also very poor in hospitals and health centres, Most of the peoples are not aware of their constitutional rights and opportunities.

**7. Outcome of the Event:**

The study on livelihood characteristics actually helped to understand the social, cultural, demographic and economic status of a particular region with its future prospects.
