Detailed description of the Program:

The Latehar district administration has inaugurated an 'Integrated Coaching Centre' of the district in St. Xavier's College Mahuadanr, where there is no such facility for students to prepare for the competitive exams in this area. Free coaching classes are run Through Haque educational and social welfare trust. Top faculties from Delhi are here to educate and motivate the students. The free coaching facility provides great support to the poor and deprived students. The first batch was started from 1st December 2021.

The administration feels aspirants belonging to the economically marginalized section did not have access to quality education, and it becomes difficult for them to move out of the hilly terrain to fulfil their dreams. Therefore, to address the issue, an 'Integrated Coaching Program' was started.
